Essay

Dear local newspaper, I think effects computers have on people are great learning skills / affects because they give us time to chat with friends / new people, helps us learn about the globe (astronomy) and keep us out of trouble! Thing about! Don't you think so? How would you feel if your teenager is always on the phone with friends or business partner about things. Well now there's a new way to chat the computer, theirs plenty of sites on the internet to do so: @ORGANIZATION1, @ORGANIZATION2, @CAPS1, facebook, myspace ect.

Just think now while your setting up meeting with your boss on the computer, your teenager is having fun on the phone not rushing to get off cause you want to use it. How did you learn about other countrys/states outside of yours? Well I have by computer / internet, it's a new way to learn about what going on in our time!

You might think your child spend a lot
